Dear Mental Health Professional,

Thank you for your interest in Mental Health Association in Orange County, Inc. (MHA)'s Compeer Program on behalf of your client/program participant. Compeer is a program of friendship and acceptance. Please fill out all the enclosed paperwork so we can start the "matching process." We will do our best to match your client/program participant with an appropriate staff member. In order to process your client/program participant's application, we are requesting you review and complete the following information:

- The person must be over 18 years of age.
- The individual must have a current psychiatric diagnosis of a mental illness.
- Documentation of the mental illness must be provided as part of the application process.
- The individual must be mentally/emotionally/physically stable.
- The individual must be referred by a mental health professional or service provider.
- Notice of Participant's Rights
- Notice of Privacy Practices
- Acknowledgement of Receipt of Privacy Practices and Program Participant Rights

If you have any further questions about the Compeer program or any other questions regarding MHA please give me a call at 845-342-2400, ext. 1236.

Please forward all information to:

NOTICE OF PROGRAM PARTICIPANT’S RIGHTS

1. Your civil rights and liberties (for example, the right to vote, or attend a place of worship) shall not be interfered with. The program staff shall take no action that would interfere with your ability to exercise these rights.
2. You have the right to receive services in a manner that does not discriminate against you on the basis of race, color, gender, sexual orientation, age, religion, national origin, political belief, or nature and severity of a handicapping condition.
3. You have the right to receive courteous, fair, and respectful care and services that are suited to your individual needs. You shall not be physically, mentally, or emotionally abused or neglected in any manner.
4. You have the right to participate in supports and services that are designed to help you obtain and maintain a life role and environment of choice.
5. You have the right to an explanation of supports and services available to you through the program.
6. You have the right to participate in any activities of your choice (clubs, associations, religion, or political organizations).
7. You cannot be required and should never give to any staff member a gratuity in any form for services provided or arranged by the program staff.
8. In case of serious illness, injury or death, emergency contact and or next of kin will be notified immediately by the proper authorities.
9. You have the right to have private, written and verbal communication with staff in accordance with the agency’s HIPAA Privacy Policies.
10. You have the right to access your case record, in accordance to the agency’s HIPAA Privacy Policies.
11. You have the right to a written copy of the admission and discharge policies which includes a statement of the criteria and procedures for discharge.
12. Your written permission must be obtained for the filming, recording and photographing of individual or group activities for distribution or display. You have the right to refuse to be photographed.
13. You have the right to make suggestions, voice concerns, and present complaints, through the Program Participant Satisfaction Committee, HIPAA Privacy Officer, and other Senior Management. Any complaint received will be reviewed by the Program Participant Satisfaction Committee within 10 days and a written report forwarded to the program participant within 30 days of receipt of the complaint. This can be accomplished without fear of retaliation. You may contact any of the following if you feel your complaint or grievance is not satisfactorily met within the program you are receiving services from:

****PRIVACY PROMISE***

Mental Health Association in Orange County, Inc. (MHA) understands that your personal information needs to be kept private. Protecting your personal information is important. We follow strict federal and state laws that require us to keep your personal information confidential.

****HOW WE USE YOUR PERSONAL INFORMATION***

When you receive services from MHA, we may use your personal information for such activities as providing you with services, billing for services, and conducting our normal business known as health care operations. If you have chosen a personal representative and have agreed to let your personal representative obtain your personal information, we will provide the information to your personal representative. If you have a guardian, we will provide the information to your guardian.

Examples of how we use your information include:

- ***Treatment*** - We keep records of the care and services provided to you within MHA. For example, your case manager keeps notes on all contacts made in coordinating and arranging for services. If you receive Residential Habilitation Services, the Res Hab worker will keep records of any care you receive. MHA staff may share your personal information while helping to develop your service plan. If MHA staff want to share your personal information with anyone who is not employed by MHA, you must give them written permission first. Some personal records, including confidential communications with a mental health professional, substance abuse records, and HIV/AIDS information may have additional restrictions for use and disclosure under state and federal law.
- ***Payment*** – We keep records that include payment information and documentation of the services provided to you. Your information may be used to obtain payment for your services from Medicaid, or other sources. For example, we may disclose personal information about the services provided to you to confirm your eligibility for Medicaid and to obtain payment from Medicaid. MHA may use your personal information to determine the amount and type of Medicaid services you need and send this information to the proper state department.

- **Health Care Operations** – We use personal information to improve the quality of care, train staff, manage costs, conduct required business duties, and make plans to better serve you and other individuals who receive services from MHA. For example, we may use your personal information to evaluate the quality of treatment and services provided by our service staff.
- **Fundraising** – We may use demographic information about you in order to support our business operations.
- **Business Associates** – We may disclose your personal health information with an accounting firm or law firm that provides professional advice to us about how to improve on health care services and comply with the law.

***OTHER SERVICES WE PROVIDE**

We may also use your personal information to:

- Determine whether you are eligible for services from MHA.
- Recommend to you service alternatives and other possible benefits.
- Tell you about other service providers who may be able to help you
- Remind you of an appointment unless you tell MHA staff that you do not wish to be reminded.
- To allow MHA to review direct service contracts.
- Allow local, state, federal agencies to monitor your services.
- To investigate incidents affecting health and safety, to report these kind of incidents and to take steps to protect your health and safety.
- To allow MHA to prepare reports required by the New York State Office of Mental Retardation and Developmental Disabilities, the New York State Office of Mental Health, and other funding sources.

***SHARING YOUR PERSONAL INFORMATION**

There are limited situations when we are permitted or required to disclose personal information without your signed authorization. These situations are:

- To protect victims of abuse, neglect, or domestic violence.
- To reduce or prevent a serious threat to public health and safety.
- For health oversight activities such as investigations, audits, and inspections.
- For lawsuits and similar proceedings.
- For public health purposes such as reporting communicable diseases, work-related illnesses, or other diseases and injuries permitted by law; reporting births and deaths, and reporting reactions to drugs and problems with medical devices.
