

Mental Health Association in Orange County, Inc. Presents. . .

Residential Forum and Support Group

For Parents and Caregivers of Adults Living in
OPWDD Certified Settings

This group offers a safe space to discuss topics involving OPWDD certified settings and the impact it has on you and your loved ones. No one is alone. Join our discussions to learn more.

There is no charge for this event. For registration, information, directions, or need for special accommodations please contact:

Jessica Markman

Developmental Disabilities Family Support Supervisor
